

As of August 31, 2011, the U.S. House of Representatives page program has been discontinued by order of the Speaker of the House. While my office is unable to accept applications for the page program, the U.S. Senate page program continues to operate and accept applications.

Young people from Alabama's First Congressional District who wish to serve as a congressional page may still apply to their U.S. Senators for Alabama: Senator Jeff Sessions and Senator Richard Shelby. Their contact information is below:
