You will also have the opportunity to tour one of the most fascinating, interesting and powerful cities in the world. The hands-on experience you will receive as an intern will prove valuable in the work force.

2007 summer interns Jennifer Edwards, James Coleman, Annie Pierce, Heather Lange, Finch Fulton, and Kristen Morris take a photo with Congressman Bonner on the balcony of the Cannon House Office Building.

Each intern receives approximately \$850 for the session. Students participating through their college or university intern program or those receiving college credit may not receive a stipend.
